

**[Blurb requires the designer's first page to be opposite the inside front cover (IFC) and you may print on it**

**IMPORTANT:**

*Front and Back Covers  
are a separate file,  
to be completed after the book layout is done,  
thus facilitating calculation for the spine*

*Download this PDF, open in Acrobat and set up  
Page Display View as follows:*

*1. View > Page Display > Two Page Scrolling*

*2. View > Page Display > Show Cover Page in  
Two Page View*
